Acne Detox Serum 30ml

### Suitable For Acne/Pimples/Inflamed/ Oily Skin

#### Key Ingredients:

##### Zinc PCA

Helps to regulate sebum production and inhibits acne-causing bacterial.

##### BioMineral Complex

Stimulates cell metabolism for enhanced detoxification, skin renewal and repair.

##### Biodynamic Acne Herbal Synergy

Helps to minimize the appearance of pores and reduces bacterial growth.

##### Beta Glucan

Boosts the skin's natural defense system and promotes healing of skin damaged by acne.

An ultra-soothing, detoxification remedy for those red, angry looking zits, Acne Detox Serum rapidly defuses skin tension and inflammation brought about by acne and pimple outbreaks and activates your skin's healing mechanism. At the same time, it eliminates acne-causing bacteria by strengthening your skin's ecosystem so that your skin builds up a natural resistance against acne-causing bacteria. Works in perfect synergy with Pore Clarifying Essence to give you clear, beautiful skin.
